

CATHOLIC SPEED FRIENDING

I think we can all agree that there's just about nothing better than having a really good time with really good friends, especially friends who like and care about the same things that you do.

At CATHOLIC SPEED FRIENDING, you'll make your way through a series of quick and unique conversations that give you the chance to meet new friends who are just like that: great Catholic young adults who are excited to meet an awesome person like you.

There's no pressure to survive a whole evening together or even to try and feel a romantic connection at all. This is simply a chance to get to know some other Catholics from the area and maybe to start a few meaningful, fun, and new friendships in the process.
